

Community Ministries: In addition to the various church ministry positions, there are also ministries in our community that you can be a part of. Below is a list of different ministries that our church members are involved in.

Child Evangelism Fellowship- Child Evangelism Fellowship also known as *CEF*[®] is a Bible-centered, worldwide organization that is dedicated to seeing every child reached with the Gospel of the Lord Jesus Christ, disciplined and established in a local church. *CEF* has different types of evangelistic programs, but the two most identified with the organization are *5-Day Club*[®] and *Good News Club*[®]. These two exciting ministries take place in neighborhood settings such as homes, backyards, schools and community centers all over the world. These fast-paced, one-hour programs are designed to bring the Gospel of Christ to children on their level in their environment. For more info on *CEF*, contact Claudia Mouer at cmouer@gmail.com or 903.454.3002.

Hands of Compassion- Hands of Compassion is ministry designed to impact the physical and spiritual needs of people in Greenville and Hunt County. For more than twenty years volunteers from various Greenville churches have given time, talent, money and other resources to help the food and clothing needs of our community. Each Wednesday from 9:00-11:00 a.m. people in need can receive food and clothing at no cost and take part in a special worship service. Many members at Grace Community are actively involved in this ministry. From administration, giving a devotional, serving people to unloading trucks, people from Grace join with others to see the gospel lived out in practical ways. Anyone can help through prayer, personal involvement, and giving. If you would like more info about Hands of Compassion please contact John Redd at john.redd@graceweb.net.

Habitat for Humanity-The mission of Habitat for Humanity is to eliminate poverty and substandard housing and homelessness from our community. We believe that everyone deserves a decent, safe and affordable place to live. Volunteer opportunities at Habitat include office help, construction work and serving food and water to those involved in building projects. CommUnity Cookouts- Once a month on the last Saturday afternoon of the month, volunteers from all over Greenville converge on the Hebron House at 2309 Wesley. Each month these amazing ministers grill, cook, bake and serve. Volunteers are needed to cook, serve food, manage the clothing donations, play with children and help set up, tear down, and haul supplies.
