

GRACE COMMUNITY CHURCH MEMBERS

The elders wanted to touch base with each of you during this unprecedented time and let you know we are monitoring the coronavirus situation. We want to assure you that the safety of our membership is utmost in our minds. As I write this correspondence there are no reported cases of the virus in Hunt County currently. I am sure you have seen that many churches are moving to online services. We are currently preparing and putting in place measures to move to an online service, when that becomes necessary.

Currently our plan is to have regular church services this Sunday, **March 22, 2020**. We have made some minor adjustments in our regular routine to insure better preventative measures going forward. Here are a few of those adjustments.

- We will be restricting individuals from congregating in the children's area
- ONLY parents will be allowed to pick children up after the service, other siblings will not be allowed to pick them up.
- ONLY the assigned volunteers will be allowed in any of the children's area.
- ALL surfaces are being wiped down with disinfectants routinely and after the service is over.
- Toys are being placed in a bucket for disinfecting, once they have been played with by a child.
- ALL toys are being disinfected during the week with Bleach and water solutions
- We will discontinue communion for a few Sundays
- Door handles and such are receiving additional cleaning with Bleach and water solution.
- We will have bottles of hand sanitizer in the children's area as well

There will be a meeting of the Life Group Leaders this Friday at 7PM at the church. We will be enlisting their help in preparing and rolling out any online services in the future

Please remember that this is an unprecedented time and is very fluid, with CDC recommendations changing daily. Should new information present itself that requires modification to any of this we will post updates on the APP. The APP is updated regularly.

Should you have any concerns or questions, please contact one of the elders @ graceelders@graceweb.net
